Thank you for your interest in Small Blessings!

Small Blessings Early Childhood Center is a program designed for children between the ages of two and five years. The program is a ministry of Hyde Park Methodist Church (HPUMC) and governed by an appointed church committee. Our program is open to all children, regardless of race, religion or nationality, who may benefit from our type of program.

Our program was established in response to the need for programs which provide quality early childhood developmental activities in a Christian environment. Our philosophy promotes understanding of the child's need to feel good about themselves and their accomplishments, to be self-confident, and to have a well-developed self-esteem.

Small Blessings enjoys an established, well respected reputation based on the following principles:

Small teacher to student ratio

Qualified, loving staff

Modern, well equipped facility

Age appropriate curriculum

Hands on activities with center play & exploration

Early literacy training through circle time, music & story time

Field trips, special events & enrichment activities

Christian education through chapel, music and Bible stories.
