

Dear brothers and sisters,

We are indebted to our Lord and Savior Jesus Christ for the opportunity to be in partnership relations with you. We recently received your financial help through our Bishop's office, for which we are so much grateful. We have put before us this year one priority aim – to do everything we can with what God has blessed us, so as to move forward in the mission He gave us. We pray with the prayer of Javez from 1 Chronicles 4:9-10:

1. That God would bless us.
2. That God enlarge our territory, that is, to tell more people of the work of Christ.
3. That God's hand would be with us.
4. That God would keep us from evil.

This past 2010 we were without Superintendent, because suddenly for all of us he decided to retire, but God has not left us. At this year's Annual Conference our Bishop will choose a new superintendent for Bulgaria. We pray that he be a man according to God's heart, man pleasing the Lord and doing His will in deed and in reality. Please support us with fasting and prayer.

God's grace and peace be with you all!

Your brothers and sisters in Christ,
EMEC – Aksakovo
