The church provides partial scholarships, expecting that the deposit is first paid by the family. The church then can give assistance.

Since the scholarship funds are here to help families attend any youth and children activities, if you are for any reason unable to attend the event and we are unable to receive a refund from the company, the full amount of the scholarship is expected to be paid back to Hyde Park in full. Payments can be made in increments. Extraordinary circumstances may be considered in determining repayment.

I fully understand the above statement and have shared the truth on this form via my personal finances.
