

Thank you for your interest in Small Blessings!

Small Blessings Early Childhood Center is a program designed for children between the ages of two and five years. The program is a ministry of Hyde Park Methodist Church (HPUMC) and governed by an appointed church committee. Our program is open to all children, regardless of race, religion or nationality, who may benefit from our type of program.

Our program was established in response to the need for programs which provide quality early childhood developmental activities in a Christian environment. Our philosophy promotes understanding of the child's need to feel good about themselves and their accomplishments, to be self-confident, and to have a well-developed self-esteem.
