3. The Mission of Hillsborough House of Hope is bigger than any of us.

4. Hillsborough House of Hope is only as strong as its Board of Directors.

Happy Mothers Day !

Hillsborough House of Hope wishes all Moms a Happy Mothers Day. For some of our graduates moms this is a difficult day because they are struggling to reunite with their children. Some lost custody and are fighting to get their kids back now that their lives are back on track. Others graduated from HHH but cant afford a place to live with their kids on their low incomes. You heard their stories (See photos) at the Spring Fling. The stories were sad, yet the future looks

encouraging for these women and their kids because of your support and the work done at HHH.

We are have a capital campaign to raise \$200,000 to purchase a home for the Graduate Moms. The building fund will enable HHH to purchase a home for our "Moms" to be reunited with their kids

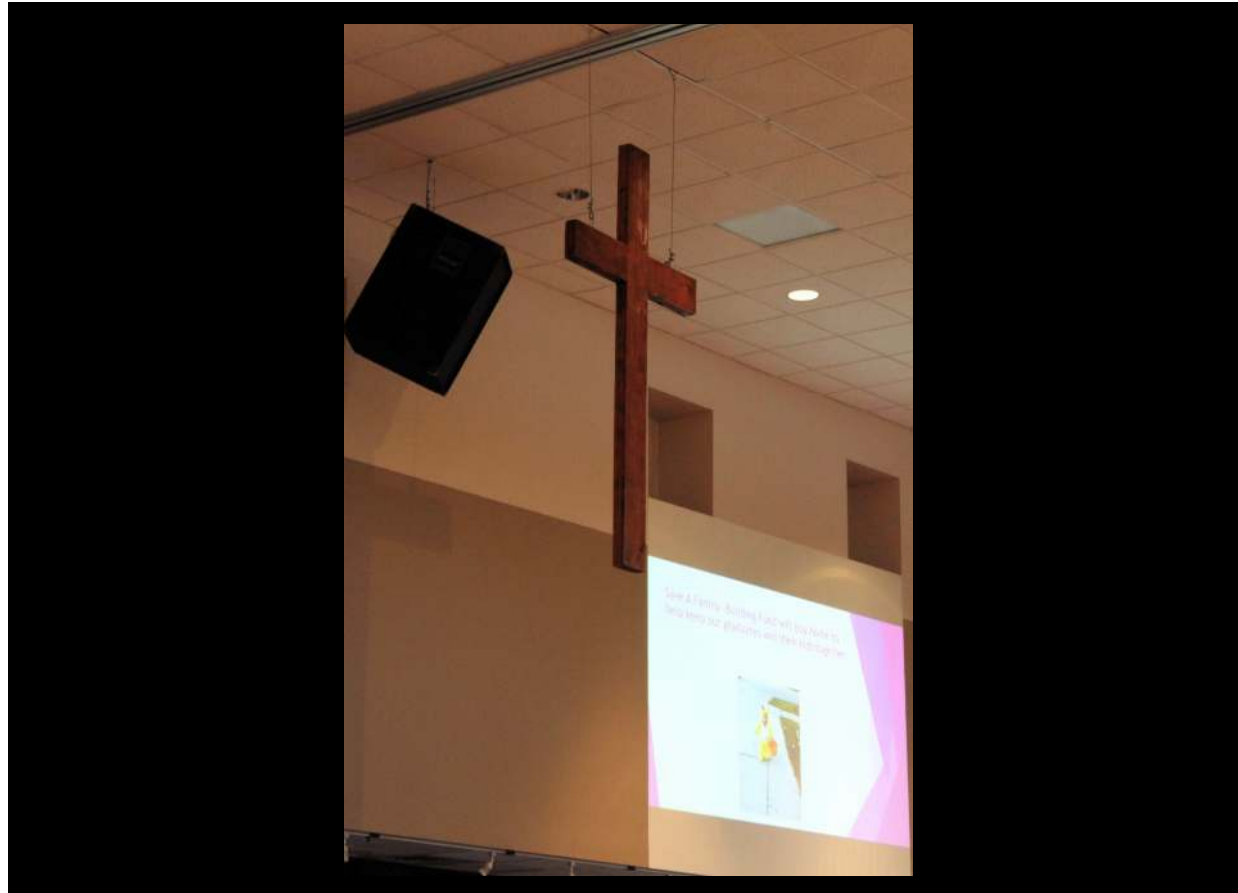

The building fund for HHH Graduate Moms balance to date is \$26,150.

Our goal is to purchase this HHH graduate Moms home by the end of 2019.

20 year History of Hillsborough House of Hope

In 1985, Margaret Palmer, Hillsborough House of Hope founder, became active with the Hyde Park United Methodist Church ladies group who visited women in the Hillsborough County Jail. These women called themselves the “chat ladies” who shared their Christian faith and offer them counseling. After many visits, Margaret began to notice that recidivism rate among these women was extremely high. When talking to one of the women, she realized they had no place to go upon their release from jail and received little guidance to get their lives back on track, so they begin anew. This predicament troubled Margaret.

Finally, she was able to get \$10,000 donated from several donors. Hillsborough House of Hope was incorporated December 1998,
