You are invited – Seven-week Virtual Redemptive Compassion Study

“Does your current helping others represent a *transformational hand up*; a lifting out of poverty? Or a *transactional hand out*; perpetuating systems that sustain poverty?”

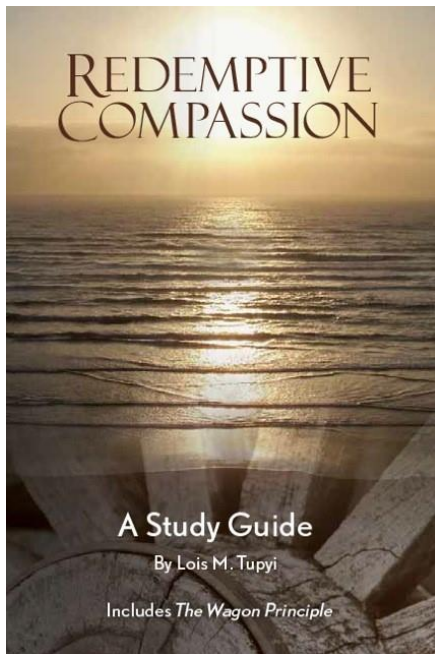

If you are interested and willing to explore how to fully live out the second greatest commandment in the Bible, join us for our seven-week study of the **Principles of Redemptive Compassion**. Study guides provided.

“Do you love Me? Do you love those I love?” – Jesus Christ

The study guide (provided) is a great educational resource for each of us to use as we work through how to live out the second greatest commandment in the Bible.

If you find the following questions unsettling, our **Redemptive Compassion** study is for you.

- *Why do so many of the commonly-used methods seem so ineffective in reducing or alleviating ongoing need?*
- *Why have good intentions to help others produced such devastating results?*
- *Is the crippling lifestyle in which thousands of individuals find themselves trapped all that God desires for them?*

“We move people not by casting a great vision of where we should go, but also by painting a clear picture of why we can’t stay where we are.” - Bill Hybells

We look forward to these transformational discussions. Invite a friend!
