

Small Blessings Summer 2021 Registration

We are very excited about the plans that we have for this summer at Small Blessings. Our program will be held **Monday-Friday from 9:00-12:30**. Parents are to provide both a snack and lunch. During the summer we follow the school year routine and incorporate the fun activities of summer camp. The program will include time to create, sing, dance, and science exploration as we learn new things about God's world and people. Activities will include playground, circle, story time, centers, pretend play, cooking and music. Water play and other special experiences will be part of each session.
