

Small Blessings Early Childhood Center has taken the following preventative measures to reduce the spread of COVID-19:

- Requiring any child or staff with respiratory illness symptoms or fever to return home and stay home until fever free for at least 24 hours
- Masks required for all staff
- Frequent disinfecting and sanitizing of high-touch toys and surfaces
- Frequent handwashing by children and staff
- Training teachers on common signs of illness in children
- Lower teacher-student classroom ratios than required by the state
- Limiting the people who enter the building
- Eliminating combining children from different classrooms
- Daily temperature checks for children and staff
- Staggered times and external drop-off and pick-up of children
- Limiting use of playground equipment to one classroom at a time and disinfecting playground equipment before and after each use
- Protocols in place for and child or staff member diagnosed with or exposed to COVID-19
