Mission Description:

- **Partnering with the Nicaraguan people to transform the nation: 1 Child, 1 Family, 1 Community at a time.**

El Ayudante translates from Spanish to mean “The Helper.” We believe in partnering with families to help bring about transformation. We have pursued God’s mission for El Ayudante using a two–pronged strategy focusing on our children & families via the HCN and our communities via mission trips. Our focus in the last 3 years has mainly been on our children and families because teams have not been able to travel to Nicaragua due to COVID.

Our Mission in León, Nicaragua, is focused on caring for our children and partnering with their families and community leaders to address basic needs and provide education opportunities to break the cycle of generational poverty. We partner with students and families to provide housing, educational, spiritual, emotional, and behavioral support programs along with nutritious meals and medical care.

What you can do:

- Bring a mission team to partner with us in Nicaragua, or join us on a virtual mission trip – contact us for information.
- Sponsor a child or teacher to help break the cycle of generational poverty – eanicaragua.com/sponsor/. Sponsorships begin at \$35/month up to a full sponsorship of \$330/month.

Prayer Needs:

- New sponsors for our children and teachers so the ministry can continue to break the cycle of generation poverty during these difficult financial times that are a result of teams not being able to travel to Nicaragua.
- Return of Mission Teams who are the life blood of our ministry.
- Health and safety of our staff, children, their families, and the communities we serve.

Mission Description:

- **Mission trip scholarship fund.**

Rose Whiteside was a faithful member of Hyde Park United Methodist who lived her life in service to others. Trained as a nurse, she served through the Peace Corps and volunteered in local and international missions. She saw all people as children of God and was an inspiration in life, and now beyond, through this fund which was named in her honor.

The purpose of the Rose Whiteside Mission Trip Scholarship Fund is to encourage people in the Hyde Park United Methodist congregation to step out of their comfort zone and into another world, whether it be in the U.S. or internationally. People who go on mission trips never again see the world in the same light, which is why Rose felt that the experience was not only enriching to those served, but life-changing for the servant. She was a great encourager, and her faithful example lives on through this fund.

For guidelines regarding the Fund, contact Vicki Walker, 813.253.5388 ext. 1223. A scholarship application form is available on the church website (hydeparkumc.org/give-to-missions). Upcoming mission trips may be found through United Methodist Volunteers in Mission (UMVIM), page 46, or at hydeparkumc.org/mission-trips/.

Are YOU willing to step out? Rose might say to you, "It will change your life!"

What you can do:

- Donate to the fund so that others may serve.
- Request funding if you need it.
- Serve on the Scholarship Review Team.

Prayer Need:

- Pray that God would continue to provide the financial resources that all who feel called to go can go without financial limitations.

Mission Description:

- **Support for college students.**

Methodism began as a movement by college students in the “Holy Club” of John Wesley at Oxford University. Today, Wesley Foundations often stand as lone outposts in the ministry to young adults on campus.

What you can do:

- Contact the campus representative for service opportunities.

Prayer Need:

- All Wesley Foundations need your prayers during this transition time in our denomination. Funding changes are coming when churches leave.
- Incoming students each semester to experience and learn about God’s love in an authentic Christian community.
- Spiritual and physical well-being for pastors and students, and God’s help for their families.
- Student leadership to balance school and ministry.
- These future leaders of the United Methodist Church to learn to follow the Holy Spirit.
- Students struggling with the reality of online classes and COVID. Prayers for the students and for our ministry effectiveness in this new process of caring for them.

Welcome to Missions at Hyde Park United Methodist!

Matthew 25:31-40: When the Son of Man comes in his glory, and all the angels with him, he will sit on his glorious throne. All the nations will be gathered before him, and he will separate the people one from another as a shepherd separates the sheep from the goats. He will put the sheep on his right and the goats on his left.

“Then the King will say to those on his right, ‘Come, you who are blessed by my Father; take your inheritance, the kingdom prepared for you since the creation of the world. For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.’

“Then the righteous will answer him, ‘Lord, when did we see you hungry and feed you, or thirsty and give you something to drink? When did we see you a stranger and invite you in, or needing clothes and clothe you? When did we see you sick or in prison and go to visit you?’

“The King will reply, ‘Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.’

In Loving Memory of Margaret Palmer

This year's Mission Directory is donated to Hyde Park United Methodist Church member Margaret Palmer who faithfully served the women incarcerated in Hillsborough County Jails for 16 years as a Chat Lady, and at age 72, after reading Matthew 25:31-40, felt called to start a ministry to provide shelter and support to women as they reentered society. Since 1998, Hillsborough House of Hope has served as a beacon of hope for many women living in the Tampa Bay area.

Margaret's memory continues to inspire the residents and graduates of Hillsborough House of Hope and all of us who knew her and loved her. Why don't you let her inspire you by reading the passage that Margaret did, Matthew 25:31-40, and listen for how God might be calling you to respond.

Thank you
for making
God's Love
Real!
