

We will be having a Charge Conference on Wednesday, April 22 at 7pm via Zoom for the Ministry Leadership Council to affirm the sale of the existing parsonage (which is the church-owned home where the pastor and family live) and the purchase of a new one for the church. Members of the church are welcome to observe, ask questions, and offer comments before the Ministry Leadership Council members vote. If you would like access to the Zoom link, email Peggy Hisey at phisey@hydeparkumc.org.
